

Privacy Policy for Orbitica Core

Last Updated: November 12, 2025

Introduction

This Privacy Policy describes how Orbitica Core ("we", "our", or "the app") collects, uses, and protects your information when you use our mobile application.

Information We Collect

Data Collected

Orbitica Core collects only the following minimal data:

Device Identifier (UID): A unique device identifier provided by your device

High Score: Your highest game score

Purpose of Collection

This data is collected solely for the purpose of maintaining a **global leaderboard** that allows players to compare their scores with others worldwide.

Data We DO NOT Collect

We do **not** collect:

- Personal identifying information (name, email, phone number, address)
- Location data
- Photos, videos, or media files
- Contacts or calendar information
- Financial or payment information
- Health or fitness data
- Browsing history or search history
- Device logs or crash reports containing personal information
- Any other data beyond the device UID and high score

How We Use Your Information

The collected data is used exclusively to:

- Display your score on the global leaderboard
- Maintain leaderboard rankings

- Identify unique players without collecting personal information

Data Storage and Security

Data is stored securely on our servers

Device UUIDs are anonymized and cannot be traced back to individual users

We implement industry-standard security measures to protect your data

No third parties have access to your data

Data Sharing

We do **not**:

- Sell your data to third parties
- Share your data with advertisers
- Use your data for marketing purposes
- Share your data with analytics companies

The only "sharing" that occurs is the public display of scores on the global leaderboard, which shows only:

- Your score
- An anonymized player identifier (not your device UUID)

Children's Privacy

Orbitica Core does not knowingly collect information from children under the age of 13.

The game is suitable for all ages, and the minimal data we collect (device UUID and score) does not constitute personal information that would require parental consent under COPPA.

Your Rights

You have the right to:

- **Access:** Request information about the data we store about your device
- **Deletion:** Request deletion of your score and device UUID from our leaderboard
- **Opt-out:** Stop playing the game to prevent further data collection

To exercise these rights, please contact us at the email address below.

Data Retention

Scores are retained indefinitely to maintain leaderboard integrity

If you request deletion, your data will be removed from our servers within 30 days

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify users of any material changes by:

- Updating the "Last Updated" date at the top of this policy
- Displaying a notification in the app (for significant changes)

Third-Party Services

Orbitica Core does not integrate with any third-party services, analytics platforms, or advertising networks.

International Data Transfers

Your data may be stored on servers located in different countries. By using the app, you consent to the transfer of your minimal data (device UID and score) to these servers.

Contact Us

If you have any questions about this Privacy Policy or wish to exercise your rights regarding your data, please contact us at:

Compliance

This Privacy Policy complies with:

- General Data Protection Regulation (GDPR)
- California Consumer Privacy Act (CCPA)
- Children's Online Privacy Protection Act (COPPA)
- Apple App Store Guidelines

Summary: Orbitica Core collects only your device's unique identifier and your high score to power a global leaderboard. We collect no personal information, use no tracking, display no ads, and share no data with third parties. Your privacy is our priority.
